

# Ready to **organize** the next Bètabanenmarkt of **March 18, 2026**?

Have you ever wondered how events like the Bètabanenmarkt come into being? This event would not be able to take place without the student board behind the organization, which consists of five to seven students from preferably different studies. You can find the available positions on the back of this flyer.

After a year in the board of the Bètabanenmarkt Foundation, you will leave with a good set of skills, a bigger network, and also a good idea of what companies exist in your field of interest.

Are you considering to apply for the board?  
Sign up using this form - this is just for interest,  
so you can back out any time.

# Positions in the board

## Chair
